Rashi, Parshas Toldos, 28:9 Achas Nivayos - The Sister of Nivayos

Instructions: Fill the squares with the correct numbers. On the side of each square is a small number that references a line of Rashi, brought at the bottom of the page. The first square has been filled out for you. If you find it helpful, you can also fill in the numbers on the blank lines in the words of Rashi. But even there, I only wrote the answers that are written in an actual possuk!

(1) Yishmael was 14 when Yitzchok was born. (2) Yitzchok was 60 when Yaakov was born. (3) Yishmael dies at 137 when Yaakov leaves for Lavan's house, (4) which means that Yaakov was ____ years old when he left. (5) Yaakov works for Leah for 7 years (6) and then for Rochel for another 7 years until Yosef is born (7) which means Yaakov spent _____ years working at Lavan's house until Yosef is born. (8) Yosef was 30 years old when he became viceroy. (9) There were 7 years of plenty (10) followed by 2 years of famine until Yosef's family comes down to Mitzrayim, (11) for a total of ____ years that Yosef was viceroy before his family came, (12) which means that ____ years passed between birth of Yosef and Yaakov meeting Pharaoh. (13) Yaakov says he is 130 years old when he meets Pharaoh. (14) We now know that Yaakov was ____ years old when he arrived at Lavan's house, (15) which means he tarried for ____ years by Ever's Yeshiva.
